

Arran Malt 17 year old

46%

As Arran continues on its trajectory toward introducing an 18 year old expression, just 9,000 bottles of sherry cask-matured 17 year old have been released.

Bottled at 46%, it has not been chill filtered. Sweet and fruity on the nose, with ripe pineapples, green apples, malt, and a hint of licorice. Luscious and nicely-textured on the palate. Lots of orchard fruits, sherry, and soft toffee. Mild spice and hedgerow fruitiness in the slightly drying, lengthy finish.

—Vol. 23, #3
