

**Bowmore 1964 Vintage
Fino Cask**

49.4%

Amber-gold color. Exotic tropical fruit aromas (citrus, melon, coconut), with interwoven notes of almonds, pear, honey, and subtle peat smoke. Light to medium in body, and very delicate in nature. On the palate, the whisky begins sweet (especially honey), followed by a basket of exotic fruit and nuts similar to its aroma, becoming drier and distantly smoky on the finish. This Bowmore Fino Cask, a whisky which has aged very well indeed, is the first of three limited edition 1964 vintage Bowmore whiskies to be released over the next year. The two to follow in 2003 have been aged in bourbon oak and oloros sherry casks.

—Vol. 12, #1
