

Master of Malt Secret Bottlings Series 8 year old 40%

Master of Malt has accumulated quite a trophy cabinet for their work on blends. The nose is inviting, with butter toffee, Bramley apples, fennel seeds, cut lawns, and chocolate-covered oat biscuits. It's a pretty smooth proposition, serving up caramel maltiness, stewed apple, and orange and grapefruit pith, with just a hint of sharp lemon freshness to open up with. The ginger finish is zappy but short. A solid, everyday blend.
