

H5 Iced Single Grain

40%

Boldly, this is naturally colored (barely colored) 3 year old grain whisky presented in a tall, clear bottle. The predominant aroma of corn husks is mixed with a sentimental schoolroom whiff of white glue peeled from the fingertips. There's wheat cracker, bread, cooked ham, dripping foliage, and chopped parsley. A clean, refreshing mouthfeel with pleasant marshmallow sweetness is nixed by flavors of corn, sliced bread, and vanilla, but they are hastily extinguished. A finishing spicy glimmer shuts down quickly

too.
