

Edgefield Distillery Hogshead

46%

An American single malt whiskey that brings together the sensibilities of American craft with traditional Scottish and Irish styles with great result. Hogshead's nose is bright and acidic, with pear, apple, maple, cinnamon, and malted grain. The palate is much spicier than expected, but enjoyably so, with black pepper, oak, cinnamon, and clove mixing well with honeyed malt and pear. The finish is long and slightly dry with a dash of heat. An impressive entry in the craft category.
