

Breaker Bourbon

45%

This bourbon is a blend of whiskeys aged a minimum of 5 years, with part of that time spent in California's Central Coastal hills. Breaker leads with a strong oak nose supported by cinnamon and caramel. On the palate, the maritime impact is there: it's softer and less oaky, with a good balance of cinnamon, caramel, and a touch of clove. Breaker is a very restrained and understated bourbon, but that's also what makes it so damn likable. Sourced whiskey.

—Vol. 23, #3
