

66Gilead The Wild Oak

47%

From a bourbon-style mashbill matured in new Missouri oak, this first whisky from 66 Gilead salutes Wild Oak farm, where contented cattle dine on the distillery's spent grains. Dry grain, gray weathered wood, sea breezes, caramel, and soft, earthy, woody notes become vanilla, saltwater taffy, cherries, and fruit punch, with herbal hints of celery. It's hot and spicy with sizzling pepper and searing ginger over a barrelhouse woodiness. Young, but not rough, with a long, peppery finish.

—Vol. 23, #3
