

The Irishman Founder's Reserve

40%

This is a 70/30 blend of aged single malt whiskey and single pot still whiskey (though no grain whiskey), matured in bourbon barrels for around 7 to 9 years. Revel in the spicy aromas of clove, cinnamon, and star anise balanced with green apple, blossom honey, and dry, oily vanilla pods. The mouthfeel is weighty and dense from the pot still, yet rich in honey, spice, and vanilla, with a tongue-enveloping finish of custard cream biscuits.
