

**The Irishman 12 year
old Single Malt**

43%

An aperitif-style aged Irish whiskey which plays in harmony with the fresh American oak bourbon casks.

A light, fragrant nose of spring blossoms, waxed lemons, cinnamon sticks, pears in golden syrup, marshmallows, and fresh laundry. There is decent weight and structure here. Sharp acidity of peel scattered over lemon meringue pie, cinnamon, black pepper, and a finish of creamy fudge dipped in milk chocolate.

Water pries open a hitherto-hidden waxy consistency (6,000 bottles released)
