

**Overeem Port Cask  
Matured #29**

**60%**

This is more reassuringly tawny than the standard strength, and the alcohol strength oozes out of the glass. The nose is cleaner and fresher than the standard, with maraschino cherry, freeze-dried raspberries, white chocolate, and tamarind pulp. Neat sips showcase rich dark fruits of blackcurrant, black cherry, and dense chew bars. A dash of water amplifies the sweet fruits with heavenly, dusty aromatics and red, fleshy fruits. Yours for a pretty penny. £189
