

Glann ar Mor 1an Gwech 14

46%

Only four first-fill bourbon barrels have been disgorged for this year's unpeated release, so be quick. Vanilla frosting, marzipan, white pepper, and coconut snowballs emit from the glass. The mouthfeel has a satin sheen, with flavors of sweet honey, peach syrup, orange segments, ground pepper, and some almond nuttiness. It holds its poise as it gently dilutes, comforting like a warm blanket over your taste buds. A few drops of water produce a rounder, sweeter experience. €60
