

**Bowmore 1964 Vintage
Bourbon Cask**

43%

Amber color. Complex, exotic aromas of vanilla fudge, coconut, white chocolate, plum, cherry, citrus, and a hint of smoke and bourbon. Light to medium in body and delicate. On the palate, there's a brief encounter of caramel and fruits mentioned above. After that, most of the flavors come from the wood-dry vanilla, mint, layered spicy oak notes, with some smoke emerging from time to time. Dry, oaky finish. I am in love with the aroma-it's so exotic and intriguing. I would pay just to smell this whisky. But the flavors on the palate are less exotic and more influenced by the wood.

—Vol. 12, #2
