

Brora 1978 35 year old (Diageo Special Release 2014)

48.6%

This is the 13th annual release of Brora, which has been aged in refill American oak and refill European oak casks. Hessian and hemp on the early nose, with a whiff of ozone, discreet peat, and old tar. Fragrant and fruity notes develop, with ripe apples, and a hint of honey. The palate is waxy, sweet, and spicy, with heather and ginger. Mildly medicinal and smoky. Dries steadily in the finish to aniseed, black pepper, dark chocolate, and fruity tannins.
