

**Glen Garioch Single
Cask #990 1998**

56.1%

A 15 year malt selected by the Loch & K(e)y Society. Hard apple cider leads the nose and is backed by honeyed malt and cinnamon-baked pear. The entry is lush caramel apple, but quickly transitions as the sheer power and spice of the mid-palate comes crashing in with oak, ginger, and pine. The finish is long, dry, and spicy with lingering heat. This is the kind of big, bold, dry whisky that American whiskey drinkers might enjoy. *(Julio's Liquors only)*
