

**Old Masters Freemason  
Whisky**

**40%**

Originally created by Lombard for the Freemasons, this has a flavorsome nose of dark chocolate chip cookies, light spices, coconut macaroons, malt, and bright, fresh bananas. The palate is light and unobtrusive, with honey and malt reinforced by the spices running underneath. A shift develops to some later cocoa and chocolate notes, and the mocha finish fades gracefully. A finely balanced concoction, and you will rarely find this quality and flavor for the price
