

**Kentucky Owl Bourbon**   
**Batch No. 1**

**59.2%**

Good nose: fresh-ground corn, warm oak, and light cinnamon. Impressively friendly even at full proof: corn pudding, sun-warmed oak plank, rich and nuanced cinnamon spice, a powerful engine running strong. A splash of water brings out some sweet berries, revs up the oak and pulls out more spice, and opens up the finish into a full-throated roar of oak, corn, and sweet citrus. This is what happens when you let a good barrel run at full throttle. Sourced whiskey. *(Kentucky only)*
