

**Low Gap Blended
Whiskey 2 year old**
46%

Warm, delicate vapors curl from the glass: dry grain, sweet orange peel, honey candy, but all of it ethereally light. Quick in the mouth, makes other whiskeys seem heavy with wood. Sweet grain is the base of the structure, with a skin of soft citrus candy and custard notes. Wood is mostly present as a lightweight frame, almost like a zeppelin framework containing delicate volumes of flavor. This is craft, charting a new course.
