

Wigle Small Cask Series 

Rye
42%

Strong, bold aromas of rye grain, fruit (raspberries, black grapes), and dry cinnamon. Punchy rye on the tongue, starts 42% tame but quickly catches fire, roaring toward a barnburner of a finish. As the fire dies down, you find cocoa and rye oil in the embers. This young (12 month) rye is small-barrel shouty, but the roots are good. Solid effort.
