

Broger Distiller's Edition

58.7%

A rich, sumptuous nose of deep, oxidized sweetness derived from storage in 128-liter madeira barrels, this cask strength Broger has wafts of fallen orchard fruit, gooseberry fool, young rhubarb stems, and lime curd. It's thick, chewy, and syrupy, wallowing in flavors of toffee apple, deep vanilla, and stewed fruits, though with a dash of water, some brown bananas and coffee cream notes peek through. A fabulous nose, but the palate is pulled toward an overripe, fruity profile. (164 bottles) €84
