Gently peated malt was distilled and matured in bourbon and new American oak casks by Claus and Michael Braunstein. A refined nose of smoked duck terrine, with fudge, gentle vanilla, and lime zest underneath. Rather elegant, with a note-perfect balance between the smoke and the sweetness. There's a huge explosion of mandarin, Milka chocolate, sharp citrus, espresso, treacle, licorice, and dry, wrinkly dates. The finish of rich, black coffee is smooth, sultry, and long. 795kr
