Solsken**

52.6%

Solsken comprises a parcel of smaller sherry and Swedish oak casks hand-picked by master blender Angela D’Orazio. The nose is like a basket of hot breakfast pastries, with honeycomb, tinned peaches, cinnamon, and hot teacakes with singed edges smoking from the grill. An amazing, golden taste that’s warm and soothing; sucked lozenges, mandarin segments, tame spices, and cobnut. The strength of the alcohol remains veiled in the shadows until the swallow...then it pounces. Mouth puckering finish of sharp fruit juices. €130
