

Mackmyra Svensk Rök

46.1%

Meaning Swedish smoke, and they've nailed the juniper smoke perfectly here. Ripening lemons, fresh cream, Turkish delight, pine forests, and barley sugar aromas. Great poise and balance. A light, lacey structure comprising creamy fudge, honey, lemon, oak, and vanilla. It just dances on the tongue. Yet billowing puffs of smoke pulse from the center. Baked lemon peel ushers in a pleasurable rolling, smoky finish.

This Röks! €59
