

**Mackmyra Midnattssol** 

**46.1%**

Initial maturation in sherry and bourbon wood from the U.S. and Sweden, finished in fermented birch sap wine casks.

Concentrated heather honey, wax, fresh mascarpone, fruit tarts, and toasted oak. It draws the mouth in: fruity, but not sweet. Stewed, dark fruits from the hedgerow and orchard (cherry, apple, plum, mulberry, and rhubarb), then a delayed splurge of spices and pepper, ending with Brazil nut, espresso, and bitter cacao. It's all rather austere, serious, and forbidding. €65
