

Glenrothes Vintage Reserve

40%

A new NAS, this has a thick, silky nose in classic 'Rothes style which reminds you of coffee cream icing, hazelnut syrup, semi-dried soft fruits, and horchata. The palate has elegance and poise, with a hint of menthol lifting off into pecan and light grippy oak. Has excellent length and mellow flow.

Water slightly reduces its voluptuous charms, so be careful (or simply avoid). Praise for revealing all the vintages used, and the fantastic price.
