

**Ben Nevis 15 year old
1998 (Cask #590)**

57.3%

This 2014 bottling of Ben Nevis illustrates how good the single malt can be with robust sherry cask maturation. Distilled in June 1998, it was filled into a fresh sherry butt and matured for 15 years before 582 bottles were released. Raisins, prunes, old polished leather, and roasted meat on the nose. The body is full, with the palate offering succulent dark berries, dates, raisins, and plain chocolate. Long and spicy in the finish, with cloves and rum raisin-flavored dark chocolate. £92
