

**Glenmorangie Dornoch  
Limited Edition**

**43%**

This bottling of Glenmorangie has been released to raise awareness of marine conservation. A proportion of the whisky has been finished in *amontillado* sherry butts. The nose offers honey, vanilla, peaches, toffee bonbons, wood lacquer, sherry, and a hint of peat. Soft and elegant on the palate, with fruity spice, nutty toffee, more sherry, and sweet smoke. Slightly smoky in the finish, with soft oak, citrus fruit, and aniseed. (*Travel Retail only*) £60
