

Grand Macnish Black Edition

40%

I am hopeful this blended whisky has benefited from the alligator char treatment to contribute to the deep, rich color and charred smoke notes on the nose. A thick, velvety mouthfeel, with butter toffee, toasted marshmallows going gooey on a stick, great spices, vanilla, whole nutmeg, chicory, and the crust of a well-fired fruit loaf leaving some sooty cinders on the finish. A mighty fireside companion and my favorite Grand Macnish to date.
