

## Master of Malt Reference Series II

**47.5%**

Now listen up class, it's time for your next whisky lesson. Here the educational blend contains 20% very old single malt, which delivers a nose of citrus peel, honey, air-dried ham, and some spices in the background. Quite delicious, with orange, vanilla sponge, raisin, cremola foam assuaged by plain chocolate, and Black Forest gateau. This concoction is further tweaked three ways to complete Reference Series II. A truly great drink in its own right that makes learning fun again. £56

—Vol. 24, #1
