43%

An odd non-age stated blend that uses a solera system to get a drop of the original 1958 blend into the mix. The blend is then finished for four years in *oloroso* casks. It's a bit of blending gymnastics. Very sherry influenced, with marionberry jam, malt, salt, and oak. The integration and flavors are nice, but it all feels a bit muted. A medium length and dry finish shows off some of the younger spirit in the mix. (U.S.

only)
