

Label 5 Gold Heritage

40%

Master blender Graham Coull hand-selected a variety of aged stock and cask types for this new global addition to the Label 5 range. Vanilla, dark fruit, and gentle spices on the nose, but the appeal lies in the beautiful, clingy mouthfeel. Warm marmalade, nuts, and oak flavors with whispers of cinnamon and clove combine to produce a creamy, smooth dram. It builds and builds but never feels like it fully arrives.

The finish is drying with dampened-down spices. €40
