

Label 5 Classic Black

40%

This is the foundation stone of the whole Label 5 range and it's a solid, reputable blend that works neat, with a rock of ice, or in cocktails. The digestive biscuits, dark walnut toffee, and fruit salad aromas concede to a rather inauspicious palate of burnt orange, malt biscuits, charred oak, and ground ginger. It's lively through to its malt and spice conclusion.

—Vol. 24, #1
