

Timorous Beastie

46.8%

This wee, sleekit, cow'rin, tim'rous
beastie is a blended malt of
Highland whiskies from Douglas
Laing, the latest of their regional
recipes to join Scallywag and Big
Peat. Perfumed soaps in muslin
bags, dried sprigs of heather,
beeswax, and Edinburgh rock give
this an intriguing bouquet. Juicy:
mandarins glow with green plums
and Granny Smith apples. Ripe,
yellow fruits and spices mid-palate
conclude with sweet malt and
fading creaminess sweeping
around the gums. Distinctive and
laudable. £39
