## Redemption Barrel Proof Rye (Batch 1) 61%

×

Redemption repeats their barrelproof MGP-sourced 95% rye, now
at 7 years old. Has a year
significantly changed last year's
90-point outing? Oak is more
subdued and the pepper floats on
sweet, light caramel. It is still quite
nice at full-bore, no water needed.
Sweet vanilla and bitter rye oil
blend surprisingly well; this is
hitting the bells, and it's better
integrated. Big, swaggering, and
sporting big-barrel maturity. Can
go toe-to-toe with almost any rye
out there.
