

Redemption Barrel Proof Rye 10 year old 55.1%

Redemption delivers a 10 year old, barrel proof rye (sourced from MGP); the bottled whiskey is mingled from only six barrels. Nose of hot, bitter rye spice and caramel with oak. Great *whambam!* feel of sweet whiskey followed immediately by oily, spicy rye, which then controls the flavor and finish without dominating. Not over-oaked, and these older MGP barrels are finally showing what 95% rye can do. At 6 years, it could be a high-rye bourbon; this simply shouts rye. Fascination.
