

## Congenial Spirits Twelve Five Rye

45%

The nose features strong rye spice accompanied by sharp, young oak along with black pepper, graphite, and a touch of green apple. The entry is much heavier and sweeter than you'd expect from such a young whiskey. Things quickly change in the mid-palate with a spice blast of cinnamon, black pepper, rye, and oak. A solid dash of heat gives the mid-palate some kick and drives a short, dry finish. Some nice ideas hampered by the reality of youth.
