

**West Cork Original  
Classic Blend**

**40%**

Cinnamon bark, oak, overripe nectarines, salted peanuts, and faint herbal notes open up this blended whiskey housed in the bottle with the clever geographical label. The structure starts light on the first sip, with Golden Delicious apples and honey lozenges, but then it thickens up mid-palate when the spiciness kicks in. Then it peters out. A decent spicy buzz finishes this perfectly serviceable blend composed by these determined newcomers to the Irish whiskey scene.

—Vol. 24, #1
