

Lot No. 40

43%

Corby's latest Lot 40, this one undated, comes from the same distillation batch as the 2012 release, but with a couple of extra years in wood. The familiar flavors are all there: dustiness, sour rye, hard wet slate, floral notes, exotic fruits, sweet spices, and biting white pepper. Over these, time has sprinkled licorice root, dried dates, oatmeal porridge, vanilla, hints of bike tires, and mango peels. Flavors remain fully integrated with faint tannins underscoring a long sour-rye finish. Value Pick.
