Straight Rye American
Oak Finish (Barrel
A2-062)**

45%

A medley of well-integrated, bright flavors including acetone, green apples, soft floral perfume, vague tannins, sweet pipe tobacco, brown sugar, hints of spar varnish, fresh-cut wood, vanilla galore, soft well-integrated spices, and subdued white pepper. It feels like corn syrup, with hot spices on the sides of the tongue and hints of oak lumber throughout. Rich and full, yet light, fresh, and estery. Long, lingering, hot spices on a sweet, slightly fruity finish. Ends on cinnamon bark. (*U.S. only*)
