

Highwood Rye

40%

Creamy butterscotch soothes the blazing hot spices of this archetypal Canadian mixing whisky. Fresh kiwi fruit and lime fragrances add dimension to a sweet, glowing middle, then fade on a long toffeeish finish that finally slips into slight hints of bitter grapefruit pith. A sweet, simple, and fruity session whisky that you could sip neat all evening, or over ice at a sunny poolside. A mixer, yes, and a sipper too.
