

Armorik Sherry Finish 
40%

Sticky short ribs from the *churrascaria*, black pepper, allspice, and a little leather. This is a richly savory whisky with a substantial mouthfeel that's never chewy. It was matured for 4 years in bourbon wood, then finished in *oloroso* sherry casks, creating a palate of figs, mixed peel, dried chili flakes, mocha, and whole black peppercorns. Perfectly weighted, right down to the *ristretto* finish with whole wheat digestive biscuits. Bold, audacious, and voluptuous.
