

Navazos-Palazzi Single Palo Cortado Cask

52.5%

A non-age statement Spanish malt whisky. Whereas Scotch whisky is often a showcase of the grain, this

Spanish malt is all about spotlighting the unique Palo Cortado sherry cask. Monster raisin leads things off and is followed by apricot jam, honey, ginger, and grape blossom. The impact of sherry is so great, it borders on tasting like an interesting young Spanish brandy. A very spicy mid-palate, which is a little hot, drives a very dry finish.
