

**The Exclusive Malts  
(distilled at Auchroisk)  
11 year old 2003 (cask  
#9)**

**56.4%**

Most of Auchroisk's malt goes into Diageo's J&B blended, so a single malt release is an uncommon treat. Aged in refill sherry casks, this whisky has a nutty, roasted malt nose. On the palate it's soft and lush, with honeyed roasted malt, walnut, ginger, and salt. A spicy mid-palate leads to a dry finish that abandons a lot of the flavors established. A solid mix of flavors, but the finish shows why it's often used for blending. (U.S.
