

**Wemyss Malts Snuffed
Candle (distilled at
Aberfeldy) 1999**

46%

The first batch of single cask releases from Wemyss Malts in 2015 includes this 1999 bottling from Aberfeldy. The hogshead yielded 379 bottles. The nose opens with overripe bananas, followed by peaches, gingerbread, treacle, subtle smokiness, and vanilla custard. The whisky really earns its sobriquet with a waxy mouthfeel and a little more smoke, ripe eating apples, and ginger on the palate. The spicy finish dries slowly to plain chocolate and aniseed. £88
