

**Wemyss Malts Toffee
Tuile (distilled at
Aberfeldy) 1999
46%**

Following on from another 1999 single cask Aberfeldy in the previous batch of Wemyss Malts' releases, we have Toffee Tuile, matured in a hogshead. The nose is sweet and approachable, with tinned fruit cocktail, vanilla, malt, and fresh ginger. Tropical fruit, brittle toffee, hazelnuts, a hint of caramel, and more ginger on the nose. The finish is medium in length, fruity, and mildly spicy.
