

Cù Bòcan Limited Edition Virgin Oak

46%

Cù Bòcan is the lightly-peated variant of Tomatin single malt, and while most Cù Bòcan is matured in a combination of sherry, bourbon, and virgin oak casks, this expression was exclusively aged in virgin oak. Fragrant on the nose, with lemon, lanolin, vanilla, poached pears, and peppery rye notes. Rich spice and vanilla on the palate, zesty and warming, with apple pie, and caramel. The finish is medium in length, with spiced fresh oak. (*Worldwide except U.S.*) £50

—Vol. 24, #2
