

Tomatin 12 year old French Oak Finish

46%

Exclusive to North America, this bottling was matured in bourbon hogsheads for 9 years, and then finished in French oak casks for a further 3 years. The casks originally contained red wine from the Bacalhoa winery. Before use by Tomatin they underwent a de-char/re-char process. Peaches, vanilla, milk chocolate, and ginger on the nutty nose, with new-mown hay. Full-bodied, with toffee apples, black pepper, and cloves. Linger warm spices in the finish. (12,000 bottles)

—Vol. 24, #2
