

**Tomatin**

**57.2%**

This NAS cask strength expression of Tomatin was matured in a mix of bourbon and virgin American oak casks. The nose is sweet and fragrant, with vanilla, cinnamon, and developing coconut ice. Silky on the palate initially, softly spiced, with vanilla toffee, pears, and apples; then the spices intensify, introducing a hint of chili. Drying in the lengthy, spicy, slightly herbal finish. *(282 bottles; exclusive to Robertson's, Pitlochry, Perthshire)* £55

—Vol. 24, #2
