

**The Exclusive Malts  
(distilled at Tomatin)  
10 year old 2004 (cask  
#2645)**

**57.4%**

Matured solely in refill sherry casks, this whisky has a light, fruit-forward nose with nectarine, honey, malt, and a touch of spice.

The entry is softer than you'd expect for the proof and it presents the fruit at the nose, along with salt and a dash of black pepper. The spice takes over in the mid-palate along with some heat, really throwing off the balance established in the entry. A light finish closes out a slightly disjointed taste experience. (*U.S.*

*only*)
