

**The Exclusive Malts
(distilled at
Strathclyde) 26 year
old 1988 (cask #62016)**

55.1%

An uncommon 26 year Lowland single grain whisky made from wheat and aged in refill bourbon casks. Oak is quite present on the nose, but it's not alone: there's also bright citrus, pine, and white cake. The opening is softer with vanilla and apricot, but it's only a brief respite before a very spicy mid-palate focused around oak and white pepper. There is a fair amount of fire from the alcohol, which drives a very spicy and dry finish. (*U.S. only*)
