

**Henry McKenna Single
Barrel 10 year old (cask
#4535811)**

50%

At 10 years old and 50% ABV, you'd expect this whiskey to pack a power punch, and while it does present solid oak and beautiful cinnamon spice, it does so with great finesse. This barrel of Henry McKenna is a great showcase of many classic bourbon notes: caramel, cinnamon, oak, orange, clove, and kettle corn. The flavors are well integrated, balanced, and backed by a wonderfully lush undertone. A solid finish that cools slightly caps off a textbook affable whiskey. (*Drink Up New York only*)

—Vol. 24, #2
